WOOD VENEER SERIES

# WORKSTA

Indulge yourself with the contemporary elegance offered by the Performance Veneer Collection. Made from select American cherry veneers combined with select hardwood edging, the collection's graceful lines, elegant edge detail and premium finish will add style, luxury and warmth to any office. The exceptional selection of components and use of superior hardware provide outstanding flexibility when designing your office and allow for easy reconfigurations as your needs change. Available in hand rubbed Cherry and Mahogany finishes.

The Performance Veneer Series includes an exceptionally broad offering of tables and storage solutions for use throughout the office.

Racetrack conference tables feature either traditional panel base design or a half cylinder design for a more sophisticated look.

Lateral, storage and combo lateral units can be free standing or can neatly slide under most work surfaces.

# DETAILS

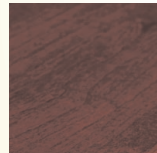

Drawer pedestals come in a variety of sizes and configurations. Features include premium ball bearing drawer slides, core removable locks and stylish pulls. All file drawers accept both letter and legal sized folders. Heavy construction ensures years of

trouble free use. All work surfaces are accented with an elegant fluted edge detail made from select hardwoods. This edge detail not only brings out the beauty of the wood but makes for a gentle clean transition from work surface to gable.

### Available Finishes

Cherry

Mahogany

The Performance Seating Line features a wide range of styles for every aspect of office seating from task to executive. Ask your dealer for more information.
