The Performance Classic Laminate Series includes an exceptionally broad offering of tables and storage solutions for use throughout the office. Racetrack conference tables feature 1.4" thick worksurfaces and legs for enhanced durability and a bold sophisticated look. Lateral and combo lateral file units can be free-standing or by removing the tops, can neatly slide under most worksurfaces.

DETAILS

All exposed edges are accented with our high-impact 3mil Tough Edge. Tough Edge is manufactured from vinyl and is designed to be more aesthetically pleasing and structurally stronger than the abrasive square edge detail that is found on many other desk series. Tough Edge is softer to touch and provides a gentle transition from worksurface to edge. Its strength and durability helps protect the edge from scratches, chips and dents.

The Performance Seating Line features a wide range of styles for every aspect of office seating from task to executive. Ask your dealer for more information.
