

Multipurpose PACE modular components create class/training/computer room tables; racetrack and U-shape conference tables; work tables; single, double and 4-person workstations...all at maximum value. Tops are 1-1/8" thick laminate with 3mm PVC edges. Choose steel legs with levelers in Black or Metallic finish. Metal-to-metal fastening allows quick, easy assembly and reconfiguration. Other PACE components include fixed and mobile pedestals, plus modesty panels. Laminate colors match Napa series casegoods.
